ORDER OF THE BOARD (by B. Forcade):

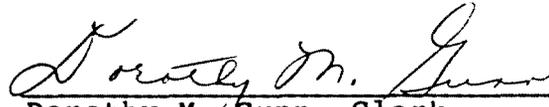

Petitioners, Edith Brockman, Wilmer Brockman, William H. Clarke, and Pioneer Processing, Inc., on October 18, 1988 filed a motion to modify this Board's Order of October 6. The Petitioners request three modifications: two revisions relating to words chosen and one change in the required briefing schedule. That motion is denied as to all requested modifications for the following reasons:

1. The language chosen in numbered paragraph one is clearly not intended as more limited than Petitioners' requested "prior to August 30, 1988" language;
2. The language chosen in numbered paragraph three clearly contemplates "application," as requested by Petitioners; and
3. The Board is very sensitive to statutory deadlines for decision, so it proceeds to prompt determination of contested cases in which the petitioners have not filed waivers of any such deadline.

The Petitioners are free to file a motion accompanied with a waiver of any statutory deadline that may exist, and the hearing officer could then grant an extension of the briefing schedule.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20~~th~~ day of October, 1988, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
