

ILLINOIS POLLUTION CONTROL BOARD
February 5, 1987

IN THE MATTER OF:)
)
NON-HAZARDOUS SPECIAL WASTE) R84-43
MANIFESTS)

FIRST NOTICE

ORDER OF THE BOARD (by J.D. Dumelle):

R84-43 was established in December 1984 to comply with the statutory mandate in Section 22.01 of the Environmental Protection Act (Act), which states:

By January 1, 1986, the Board shall review and consider the repeal of any existing rule or regulation that requires manifests for the shipment of non-hazardous special wastes. However, the Board shall adopt regulations that require that facilities accepting non-hazardous special wastes file a report with the Agency, on an annual basis, specifying the quantities and disposition of non-hazardous special wastes accepted for treatment, storage or disposal.

On December 20, 1985, the Board adopted a First Notice Opinion and Order consolidating the review requirement of Section 22.01 with R85-27, a docket established to consider the special waste issue, and proposing for first notice an amendment to 35 Ill. Adm. Code, Part 809 regarding the report requirement of Section 22.01. However, due to an administrative oversight, the proposed amendment was not filed with the Secretary of State's Office for publication in the Illinois Register. Upon further examination, it was discovered that the section number was incorrect. This Order corrects the section number and orders the Clerk to cause First Notice publication in the Illinois Register of the following proposed amendment:

TITLE 35: ENVIRONMENTAL PROTECTION
SUBTITLE G: WASTE DISPOSAL
CHAPTER I: POLLUTION CONTROL BOARD
SUBCHAPTER i: SOLID WASTE AND SPECIAL WASTE HAULING

PART 809
SPECIAL WASTE HAULING

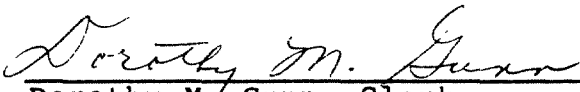

SUBPART E: MANIFESTS, RECORDS AND REPORTING

Section 809.500 Annual Reports

Facilities accepting non-hazardous special wastes shall file a report with the Agency, on an annual basis, specifying the quantities and disposition of non-hazardous special wastes accepted for treatment, storage or disposal. This requirement shall become effective July 1, 1987.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5th day of February, 1987 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
