ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon the April 14, 1988, filing of a Petition For Variance on behalf of Scott Air Force Base, Department of the Air Force.

The Petition for review is deficient. Specifically the Petition fails to state whether a hearing is requested; the Petition fails to contain data relative to consistency with the Clean Water Act; the Petition fails to describe the planned construction; and the Petition fails to state the period(s) of the desired variance. Without the above noted, required data, the Board is unable to schedule this matter for hearing. Petitioner is referred to 35 Ill. Adm. Code 104.121 and 104.122 for the required contents of a Petition for Variance. The April 14, 1988 Petition for Variance is incomplete.

Unless the Board receives an Amended Petition for Variance curing the above noted deficiencies and complying with the requirements of 35 Ill. Adm. Code 104.121(a)-(1), within 45 days, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 21st day of April, 1988 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
