ORDER OF THE BOARD (by J. Anderson):

On June 7, 1983 the intervenors filed a motion for interlocutory appeal of the hearing officer's Order in this matter entered in response to a letter of May 26, 1983 to the hearing officer from the president of Will County Development, Inc. A clarification of that Order and a second Order were entered by the hearing officer on June 7, 1983, which, obviously, were not referred to in the intervenors' motion and which do not moot that motion.

The Board will not address the motion for interlocutory appeal in its entirety at this time. However, petitioner and/or his attorney is directed to inform the Board on or before June 24, 1983 whether the petitioner continues to be represented by counsel, or is now appearing pro se. Any response to the motion for interlocutory appeal shall be filed on petitioner's behalf on or before June 28, 1983.

The transcript of the December, 1982 public hearing shall also be filed on or before June 28, 1983.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 16th day of June, 1983 by a vote of 4-0.
