

ILLINOIS POLLUTION CONTROL BOARD
June 25, 1987

IN THE MATTER OF:)
)
PETITION OF THE CITY OF LASALLE) PCB 86-2
FOR EXCEPTION FROM THE COMBINED)
SEWER OVERFLOW REGULATIONS)

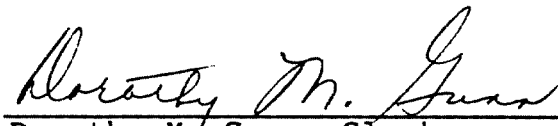

ORDER OF THE BOARD (J.D. Dumelle):

This matter comes before the Board upon a filing submitted by the City of LaSalle ("City") on June 8, 1987. The Board construes this filing as a motion for modification of the Board Order of April 1, 1987. This motion, however, was deficient in that it failed to include proof of service on the Illinois Environmental Protection Agency ("Agency"). The Clerk's office contacted the City, by telephone, and informed it of this oversight. The City responded on June 22, 1987, by filing a proof of service, but the proof of service related to a letter previously sent to the Agency and not to the motion filed with the Board. Therefore, the deficiency remains.

The Board has been advised that as of June 23, 1987, the Agency has not received a copy of this motion. The Clerk is therefore directed to convey a copy of this motion to the Agency, so that this matter may move forward. The Agency shall file its response within 14 days in accordance with 35 Ill. Adm. Code 103.240.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 25th day of June, 1987, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
