ORDER OF THE BOARD (by J. D. Dumelle):

On its own motion, the Board orders the hearing officer to conduct the hearing in this matter pursuant to 35 Ill. Adm. Code 102.160 through 102.164 (Subpart D), instead of 35 Ill. Adm. Code 103.203. Public participation in this proceeding, which has been instituted by Petitioner to obtain a less stringent emission limit than that required by Rule 204(f), is thereby equivalent to that provided in regular Board rule-making. This level of public participation is in accordance with that intended in adopting these types of proceedings. (c.f., R80-22 Opinion at page 13, February 24, 1983 and R75-5 Opinion at page 18, February 15, 1979).

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 16th day of June, 1983 by a vote of 4-0.
