		Respondent.))	

ORDER OF THE BOARD (by J. Theodore Meyer):

The variance petition received August 4, 1983 and amended on August 10, 1983 is insufficient pursuant to 35 Ill. Adm. Code 104.121. Petitioner fails to include the specifics of a compliance plan required by subparagraph (f) of that Section. Petitioner's suggestion at paragraph (e) that the Rule 205 (n)(1(A)(i) is not the same as that adopted by the USEPA or other states does not satisfy the requirement that compliance ultimately be achieved. Petitioner is to specify the proposed means for achieving compliance, the anticipated time schedule and the estimated costs of doing the same. Furthermore, Petitioner should specify the length of the variance requested. This information is to be provided within forty-five days of this Order, or the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution
Control Board, hereby certify that the above Order was adopted
on the 187 day of 1983 by a vote of 1983.
