

ILLINOIS POLLUTION CONTROL BOARD

April 21, 1983

In the matter of:)
) R82-19
PHASE II RCRA RULES)

PROPOSED RULE. FIRST NOTICE

PROPOSED ORDER OF THE BOARD (by D. Anderson):

On March 18, 1983 the Board proposed to adopt 35 Ill. Adm. Code 703 and 724, and proposed amendments to 35 Ill. Adm. Code 702 and 705. This proposal, which is the main portion of the Phase II RCRA package, appeared at 7 Ill. Reg. 4520, April 15, 1983. The comment period will expire on May 31, 1983.

The Board now proposes to amend 35 Ill. Adm. Code 700, 704, 720, 725 and 730. These amendments include federal amendments through October 29, 1982, and amendments required for consistency with the Phase II proposal. No amendments to Parts 721, 722 and 723 are necessary at this time.

The Board intends to bring the two portions of the proposal to a single final order. Therefore it will not be necessary to split this record into subdockets.

This proposal will be published in the Illinois Register and a comment period will be established even though this rulemaking is not subject to Section 5 of the Administrative Procedure Act. The comment period will be shortened to 30 days after publication in order to allow adequate time for Board review prior to July 26, 1983, the target date for final decision.

Because the text of the proposal is lengthy, it will not be distributed with the Proposed Order or appear in the Opinion volumes. The public is asked to wait until the proposal appears in the Illinois Register. However, a copy will be placed in the file and made available for inspection and copying.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Proposed Order was adopted by the Board on the 21st day of April, 1983 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
