**HEARING OFFICER ORDER**

On November 21, 2005, the Environmental Protection Agency (Agency) filed a proposal for rulemaking. The Agency proposes to the Board, pursuant to Public Act 94-272, regulations for the use of clean construction or demolition debris (CCDD) as fill material in current and former quarries, mines, and other excavations. See 415 ILCS 5/22.51(c)(1) (eff. July 19, 2005). The Agency proposes the clean construction or demolition debris operations regulations as a new Part 1100. The Agency's proposed Part 1100 would consist of four subparts, which include: (1) general provisions; (2) standards applicable to CCDD landfills; (3) information that permits are required to include; and (4) procedural requirements for permit

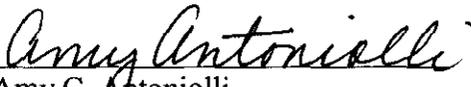

applicants. P.A. requires the Board to adopt rules no later than September 1, 2006. *Id.* The Board accepted this matter for hearing on December 1, 2005.

The Board will hold at least two hearings in this matter. Both hearings will be conducted to allow the proponent and all other interested parties the opportunity to present testimony on the merits and economic impact of the rulemaking proposal. At hearing, all persons who testify will be sworn in and subject to questioning. The Board will also receive any testimony on any economic impact study (EcIS) conducted by the Department of Commerce and Economic Opportunity (DCEO) on the proposed rules or DCEO decision not to perform an EcIS.

The Notice List for this rulemaking is the list of persons who wish to receive only the Board's opinions and orders and hearing officer orders. The Service List is the list of persons who wish to actively participate in this proceeding and receive not only opinions and orders, but also other filings such as prefiled testimony and public comments. The Notice and Service Lists, as well as the Agency's proposal, for R06-19 are available on the Board's website through the Clerk's Office On-Line (COOL) at [www.ipcb.state.il.us](http://www.ipcb.state.il.us).

Persons who plan to testify must prefile their testimony and serve the testimony on the hearing officer and all persons on the service list. Before filing any document with the Clerk, please check with Ms. Sandy Wiley at (312) 814-3623 or [wileys@ipcb.state.il.us](mailto:wileys@ipcb.state.il.us), the hearing officer, or the Clerk's Office for the most recent version of the Service List. The hearing officer assigned to this rulemaking is Amy Antonioli (312-814-3665, [antonioa@ipcb.state.il.us](mailto:antonioa@ipcb.state.il.us)). All testimony for the first hearing must be submitted no later than January 16, 2006. The prefiling deadline for the second hearing is February 17, 2006. Timely submission of these materials by all persons is essential to meet the September 1, 2006 deadline of this docket.
