Respondent.	)	

ORDER OF THE BOARD (by A.S. Moore):

On December 15, 2006, petitioner U.S. Minerals, LLC (U.S. Minerals) filed a motion for voluntary withdrawal of its petition for review of certain terms and conditions of an air permit (Mot.). U.S. Minerals states that settlement negotiations have succeeded and that the Illinois Environmental Protections Agency “recently issued a revised Lifetime Operating Permit for Petitioner’s Coffeen, Illinois facility that resolves the issues raised in these proceedings.” Mot. at 1-2. U.S. Minerals further states that it “has no reason to maintain the instant action” and that terminating the proceedings “would promote the interests of judicial economy.” Mot. at 2. The Board grants U.S. Minerals’ motion, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on January 5, 2006, by a vote of 4-0.

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
