IN THE MATTER OF:)

ORGANIC EMISSION GENERIC RULE)
)

ORDER OF THE BOARD (by J. Marlin):

By its Order of August 6, 1987, the Board adopted for First Notice a proposed generic rule which, among other amendments, proposed a new Subpart I to Part 215. Upon closer scrutiny, it was discovered that the section numbers of Subpart I, as set forth in the August 6 Order, were not consistent with the current codification of Part 215. As a result, the Board hereby amends its proposed rule by renumbering the sections of proposed Subpart I as follows:

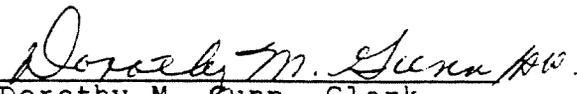

Subpart I

<u>August 6 Order Numbers</u>	<u>New Numbers</u>
215.220	215.260
215.221	215.261
215.223	215.263
215.224	215.264
215.227	215.267

The proposed rule which will be published in the Illinois Register will reflect this new numbering scheme.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 50th day of August, 1987, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
