HEARING OFFICER ORDER

On January 12, 2006, all parties participated in a telephonic status conference with the hearing officer. The parties represented that the stipulation and proposal for settlement (stipulation), is ready to be filed in the near future; however, questions remain regarding the bankruptcy posture of this matter. The parties were directed to file a joint status report outlining the outstanding issues that need to be addressed prior to the filing of the stipulation. The parties were directed to file their joint status report on or before January 19, 2006. To that end, respondent’s answer is now due to be filed on or before March 2, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 9, 2006, at 9:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
