**HEARING OFFICER ORDER**

On January 24, 2006, the parties participated in a telephone status conference with the hearing officer. Respondent’s attorney will consult with the technical unit to get the most recent permit language that applies to the groundwater monitoring provisions at issue in this case. Respondent will forward the language to petitioner, and if the parties agree that the language will resolve this appeal, the appeal will be dismissed.

The parties are directed to participate in a telephonic status conference with the hearing officer at 11:00 a.m. on March 28, 2006. The telephone status conference will be initiated by the petitioner.

Petitioner filed an open waiver of the decision deadline in this case.

IT IS SO ORDERED.
