8 Dear Ms. Webb:

9 My name is David Dolgner, and I reside at 10331 Fifth
10 Avenue Cutoff in Countryside, Illinois, 60525. My
11 home is approximately 450 feet from the Illinois Toll
12 Road.

13 The wall that separates our neighborhood from the
14 tollway is actually lower than the pavement ~~of the~~
15 ~~street~~ and does nothing to stop the noise, which is
16 extreme. I feel that installing the sound wall at a
17 proper height would greatly improve the quality of
18 life for everyone in the neighborhood. Your help
19 would be greatly appreciated.

20 Sincerely,

21 

22 David Dolgner
