ORDER OF THE BOARD (by B. Forcade):

On December 4, 1986, Bravo-Ernst Developers ("Bravo-Ernst") filed a motion to withdraw petition for variance, reciting that all parties have stated they do not oppose the motion. However, as the Board has already issued a final opinion and order in this case, withdrawal of the petition for variance is inappropriate. The Board construes Bravo-Ernst's motion as a motion to withdraw the September 18, 1986, motion for reconsideration of the August 14, 1986, Opinion and Order. The motion to withdraw is granted.

Since hearing is presently scheduled for December 19, 1986, the Board is acting on the motion to withdraw today. If the Board's action misconstrues any parties' intention, appropriate motions must be filed prior to 5:00 p.m., Monday, December 15, 1986. If there is no filing by Monday, December 15, 1986, hearing will be cancelled.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5 day of Lecenter, 1986, by a vote of 6-0

Dorothy M. Gunn, Clerk

Illinois Pollution Control Board
