ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon an August 19, 1983 petition for variance, apparently from the date for compliance with volatile organic compound limitations pursuant to Rule 205(j)(1) of Chapter 2: Air Pollution, although the precise relief requested is not clearly stated. Further, the petition fails to give adequate information concerning compliance alternatives, actions taken to minimize non-compliance and environmental impact, pursuant to 35 Ill. Adm. Code 104.121.

Unless the above-noted defects are cured by the filing of an amended petition for variance within 45 days of the date of this Order, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 8th day of September, 1983 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
