ORDER OF THE BOARD (by J. D. Dumelle):

On January 30, 1984, the Georgia-Pacific Corporation (Georgia-Pacific) filed a motion to cancel the hearing in this matter which is presently scheduled for February 23, 1984. While Georgia-Pacific represents that the Illinois Environmental Protection Agency concurs in this request and that "all of the parties . . . are in agreement," the Board is reluctant to cancel hearings for which public notice has already been published since there may be citizens who intend to appear at the hearing who are not in agreement.

The motion is, therefore, denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 9<sup>th</sup> day of February, 1984 by a vote of 7-0.
