ORDER OF THE BOARD (by I. Goodman):

On August 12, 1982 The Meyercord Company (Meyercord), submitted a Verified Application for Nondisclosure for material inadvertently submitted to the Board as part of a Variance Petition and an Amended Petition filed April 22, 1982 and June 3, 1982, respectively. On August 12, 1982 Meyercord also submitted a substitute Amended Petition for Variance, wherefrom the confidential material had been deleted.

The Board finds that the material Meyercord requests not to be disclosed constitutes trade secret information and confidential data pursuant to Section 7(a)(1) and (4) of the Act. Accordingly, the Clerk is ordered to destroy the material and any copies thereof submitted April 22 and June 3, 1982 by Meyercord, except for the cover pages. Since Exhibits A and B attached to the Application for Nondisclosure also contain the confidential material, these and any copies thereof are ordered destroyed. The Amended Petition and Compliance Plan submitted August 12, 1982 by Meyercord will be substituted in their place.

In addition, Table A of the Agency's Recommendation filed July 12, 1982 contains certain information Meyercord has requested to be confidential. It is therefore ordered that the confidential material be expunged from Table A.

Pursuant to Section 7 of the Act and this Order, the Illinois Environmental Protection Agency is ordered to destroy any copies in its possession of the material listed above, except for the substitution material.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 2ND day of September, 1982 by a vote of S.O.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
