ORDER OF THE BOARD (by J. Anderson):

On August 31, 1981 the Village requested that the Board assume the costs of hearing since "paying all the costs for the hearing would present somewhat of a financial hardship." The Board will not take action on this request at this time, but will consider whether the Village should be reimbursed for costs at the time the Board decides the variance petition. The Village would be well advised to present evidence at hearing concerning the financial hardship that payment of hearing costs would impose upon it.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 24th day of September, 1981 by a vote of 4-0.
