

ILLINOIS POLLUTION CONTROL BOARD
September 24, 1981

IN THE MATTER OF)
) R81-20
INTERIM ALTERNATIVE CONTROL STRATEGY RULES)
CHAPTER 2: AIR POLLUTION)

ORDER OF THE BOARD (by I. Goodman):

The above captioned proposal for rulemaking was filed with the Clerk of the Board September 16, 1981 by the Illinois State Chamber of Commerce (ISCC). The Board notes that this proposal addresses the subject matter recently docketed as R81-20, Interim Bubble Rules, Chapter 2: Air Pollution. As stated in the Board Order of July 23, 1981, the Board proposal initiating R81-20 anticipated that alternative proposals such as this would be filed. Therefore, the Board finds that it is appropriate to waive the 200 signature requirement for this proposal. To avoid duplication and unnecessary delay, the Board orders that this proposal be consolidated for joint consideration with the Board proposal in the proceeding docketed as R81-20. The merits of both proposals will be given full consideration by the Board.

The ISCC's proposal will be labeled Exhibit #2 for purposes of the record. The proposal docketed on July 23, 1981 will be labeled Exhibit #1.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 24th day of September, 1981 by a vote of 7-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
