ORDER OF THE BOARD (by J. Anderson):

This petition, filed August 5, 1983 is generally deficient, lacking much of the information required by Section 104.121 of the Board's Procedural Rules. More specifically, the petition fails to address the questions of arbitrary or unreasonable hardship, compliance alternatives, and environmental impact. In addition, the Bank has failed to request hearing, or to waive it and submit an affidavit as required by Section 104.122. Finally, the County of DuPage, which is a necessary party to this action as owner of the sewer system and treatment plant here at issue, has not been joined either as a party petitioner or respondent, and has not been served with a copy of the complaint as required in Section 103.124.

If an amended petition curing all of these noted deficiencies is not filed within 45 days of the date of this Order, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18th day of August, 1983 by a vote of 5-0.
