ORDER OF THE BOARD (by J.D. Dumelle):

On May 3, 1982 Martin Oil Marketing, Ltd. filed a letter with the Board which, apparently, is to be construed as a petition for variance from Rule 205 of Chapter 2: Air Pollution. That petition is inadequate under Procedural Rule 401 in several respects. Most notably, hearing is waived, but no affidavit attesting to the truth of the facts alleged is included [Rule 401(b)], the specific provision from which variance is requested is not given [Rule 401(a)(1)], there is no statement of the quantity and types of material discharged [Rule 401(a)(4)], or of the environmental impact [Rule 401(a)(7)] or of the cost of compliance [Rule 401(a)(6)], nor is there any showing that such variance can be granted consistent with the Clean Air Act [Rule 401(d)].

Unless Martin Oil files an amended petition within 45 days of the date of this Order curing these defects, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 13<sup>th</sup> day of May, 1982 by a vote of S-D.
