ORDER OF THE BOARD (by J.D. Dumelle):

On January 24, 1983 the City of Mount Olive filed a petition for variance which is deficient in several respects: the requested relief is not specified, the costs of compliance alternatives are not given, and the reason for restricted status is lacking as are any measures proposed to minimize the adverse effects of non-compliance. Unless the City files an amended petition within 45 days of the date of this Order, this petition will be subject to dismissal.

Also, the owner of the six-unit apartment complex at issue here is ordered to be joined as a party and the City is ordered to complete service of process upon him pursuant to Section 103.123 of the Procedural Rules.

Finally, the Board notes that the affidavit accompanying the petition, or a second affidavit, should attest to the truth of the material allegations in the attached Exhibit A.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 27th day of January, 1983 by a vote of .
