ORDER OF THE BOARD (by J.D. Dumelle):

On August 5, 1982 the Board entered its second more information order in this matter requesting that hearing be either waived or requested, joining the New Salem Homeowners Association (the owner of the subject treatment works) as a party, and directing the Clerk of the Board to complete service upon the Association.

The Clerk has twice attempted to complete service, but the documents have been returned "unclaimed" and "addressee unknown." Further, the 45-day period allowed for the filing of an amended petition under the August 5, 1982 Order has passed without any response from the Camp-Resort.

The Board, therefore, dismisses this matter with leave to refile. Any new petition should include the Association as a properly joined party and should either request or waive hearing. If hearing is waived, the waiver should be accompanied by an affidavit attesting to the truth of the facts alleged.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5th day of October, 1982 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
