ORDER OF THE BOARD (by B. Forcade):

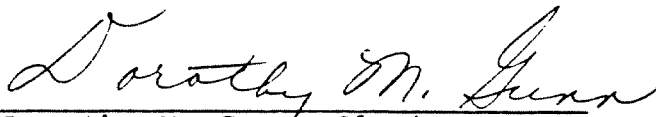

On February 21, 1986, the Illinois Environmental Protection Agency filed a status report indicating the parties have reached general agreement regarding settlement and anticipating filing a Stipulation and Proposal for Settlement on or about March 25, 1986. No such settlement was filed.

The Board orders that the parties file an additional status report not later than June 28, 1986, discussing any anticipated filing of a settlement agreement.

If no settlement agreement is filed by the end of August, 1986, it is the Board's intention to set this matter for hearing in September, 1986, to advise the Board of the present circumstances, including: (1) the legal and economic status of the respondent; (2) the current scope and status of any Illinois Commerce Commission proceeding; (3) present physical status of the treatment plant; and (4) quality of the effluent.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5th day of June, 1986, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk
