

ILLINOIS POLLUTION CONTROL BOARD
February 9, 1989

IN THE MATTER OF:)
)
MANAGING SCRAP TIRE ACCUMULATIONS)
FOR THE CONTROL OF MOSQUITOES) R88-24
PART 849)

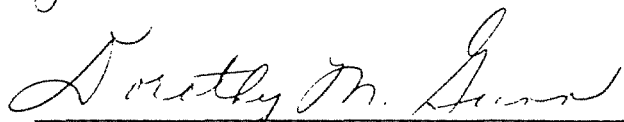

ORDER OF THE BOARD (by J. Marlin):

On February 2, 1989, the Board proposed a rule for Second Notice in this matter. On February 7, 1989, the Illinois Environmental Protection Agency (Agency) filed a Motion for Reconsideration. The next day, February 8, 1989, the Agency filed a second motion entitled "Motion for Reconsideration" which was somewhat different in substance from the February 7 motion. The Board construes the Agency's February 8, 1989 as an amended motion for reconsideration. That motion requests several changes to the version of the rule which was adopted on February 2, 1989. Similarly, the Illinois Department of Agriculture filed comments which also request changes to the rule.

The Board will accept further comments from any person on the February 2nd proposal. Such comments should be received by the Board on or before February 21, 1989. The Agency and the Department of Agriculture may supplement their February 8th filings with additional comments.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9th day of February, 1989, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
