ORDER OF THE BOARD (by J. Anderson):

On August 19, 1981, the Village moved to withdraw its petition for variance from the barium standard in PCB 81-93. In support of its motion, the Village provided the results of a June, 1981 test sample showing that its Well #5 is in compliance with the standard. PCB 81-93 is accordingly dismissed.

The amended petition filed in PCB 81-92 on August 19, 1981 remedies the deficiencies noted in the original petition in the Board's Order of June 10. Although hearing was properly waived by the Village, PCB 81-92 must proceed to hearing as the Board had received a timely objection to the original petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of August, 1981 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
