ORDER OF THE BOARD (by R.C. Flemal):

This matter is before the Board on respondent Electronic Interconnect Corporation's (EIC) and Gordon Krautsack's (complainant's) February 26, 1999 notice of settlement agreement and agreed motion for voluntary dismissal (Mot.), and joint motion for waiver from hearing requirement.

For the reasons stated below, the Board grants the motions for voluntary dismissal and waiver from hearing requirement.

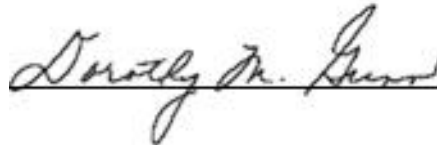

On August 21, 1997, the Board granted complainant partial summary judgment, finding that EIC had violated Sections 21(a), (e), and (f) of the Illinois Environmental Protection Act (Act) (415 ILCS 5/21(a), (e), and (f) (1996)). The Board ordered EIC to cease and desist from violations of the Act and to complete remediation of the site by December 31, 1997. The Board said it would address the appropriate civil penalty, if any, after the site remediation was completed.

Today the parties represent that they have reached a settlement which includes the assertion that complainant no longer seeks imposition of a civil penalty. Mot. at 4. Further, the parties represent that the actual contamination of the property was minimal. Mot. at 4. Soil sampling results indicate that the minimal contamination has had no impact on human health and the environment and that no migration of materials has occurred at the property. Mot. at 3. Also, EIC has agreed to apply for and obtain from the Illinois Environmental Protection Agency, a No Further Remediation letter. Mot. at 2.

The Board grants the parties' agreed motion for voluntary dismissal and joint motion for waiver from hearing requirement. The case is dismissed with prejudice, and the docket is closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 4th day of March 1999 by a vote of 7-0.
