ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board on a January 26, 1981 filing of a third-party appeal of a developmental permit granted by the Illinois Environmental Protection Agency (Agency) to William Clarke, Pioneer Development, Pioneer Processing, Inc., and Wilmer and Edith Brockman on December 22, 1980 for a 177-acre hazardous waste landfill site in LaSalle County.

The Agency's granting of that permit is affirmed. All motions pending before the Board which were not disposed of by the Board's February 4, 1982 Order are denied.

No opinion accompanies this Order, rather it will follow in the near future. This is due to the fact that transcripts of the final day of hearings were not received until February 10, 1982 and final briefs were not received until February 11, 1982, the last business day prior to the statutorily mandated date of decision on February 16, 1982.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 16th day of February, 1982 by a vote of 3-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
