

ILLINOIS POLLUTION CONTROL BOARD
November 8, 1984

IN THE MATTER OF:)
)
RCRA PROCEDURAL RULES) R84-10

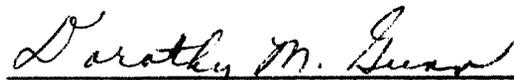

CONCURRING STATEMENT (by B. Forcade):

I generally agree with today's Order, but would modify it in one respect. As adopted by the majority, in RCRA enforcement actions where the Board finds a violation, these procedural rules provide that the Board shall issue an interim Order and provide widespread public notification and opportunity to comment. Where the Board's original finding is of no violation, the additional notification and opportunity for comment provisions do not apply. I would modify today's Order so that the additional notification and opportunity for comment provisions applied whether the Board's original determination found a violation or not.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Concurring Statement was filed on the 13th day of November, 1984.
