HEARING OFFICER ORDER

Background

On December 22, 2005, the Board received a rulemaking proposal submitted by the Illinois Environmental Protection Agency (Agency) pursuant to Section 27 and 28 of the Illinois Environmental Protection Act. 415 ILCS 5/27 and 28 (2004). The Agency proposes amendments to Parts 218 and 219 of the volatile organic material rules to allow for the use of add-on controls as a compliance option for printing operations using cold cleaning solvent degreasing. The Board accepted the proposal for hearing on January 19, 2006.

On February 16, 2006, a status conference was held, and the matter was set for hearing. Hearings will be held on April 19, 2006 and May 17, 2006.

Hearing

Persons wishing to testify at the hearing must prefile the testimony and any related exhibits with the Board and serve the hearing officer and all persons on the service list no later than March 24, 2006. Persons may receive a copy of the service list by contacting the hearing officer or Nancy Miller at (217) 278-3109.

The parties are directed to participate in a final pre-hearing telephone status conference on April 11, 2006 at 2:00 p.m. The petitioner shall initiate the call. At that time, the parties must be prepared to disclose witnesses for the hearing, and address any final pre-hearing issues.
