ORDER OF THE BOARD (by J. D. Dumelle):

This matter comes before the Board upon a December 3, 1984, petition for variance filed on behalf of the Village of Winslow. That petition is deficient in numerous respects. The requirements of a variance petition are set forth at 35 Ill. Adm. Code 104.121 - 104.124.

Among other deficiencies, the Board notes that relief is requested from a permit condition rather than from the appropriate Board rule, no effluent data are presented, no specific length of variance is requested or justified, there is no discussion of the environmental impact, and there is no waiver or request for hearing.

Unless the Village files an amended petition within 45 days of the date of this Order, curing the above-noted deficiencies, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 6th day of December, 1984 by a vote of 6-0.
