ORDER OF THE BOARD (by J.D. Dumelle):

On January 19, 1983 a joint motion for modification of the Board's December 16, 1982 Order in this matter was filed by the Illinois Environmental Protection Agency. Given that the motion is a joint motion and that the length of the variance would not be changed by allowing a longer period of time for the completion of the bypass as requested, that motion is granted.

Paragraph 3 of the Board's December 16, 1982 Order is hereby modified to allow completion of the bypass around the aerated lagoon by June 30, 1983.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 27th day of January, 1983 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
