ORDER OF THE BOARD (by J. Anderson):

On September 22, 1986, Celotex filed what it has entitled a "motion to require [the Agency] to comply with 35 Ill. Adm. Code 101.106". The Agency filed a response in opposition on September 23, and on September 24, Celotex filed a reply accompanied by a motion for leave to file instanter, which is hereby granted.

Although the Board notes that the Agency's September 17, 1986 letter to the Clerk was somewhat unclear, it has been clarified in the above-referenced pleadings. The Agency has essentially filed an additional appearance in this case, that of Mr. Hurst who has a temporary license to practice law pursuant to Supreme Court Rule 711. Finding that there is no procedural impropriety, the Board hereby denies Celotex' motion.

IT IS SO ORDERED.

I Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 25<sup>th</sup> day of September, 1986 by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
