RELATED POLLUTION CONCERNING)
TOTAL DISSOLVED SOLIDS)

ORDER OF THE BOARD (by D. Satchell):

In an Order entered September 6, 1979 the Board on motion of the petitioners deferred decision on this regulatory proposal until such time as a decision was reached in R76-20 and R77-10. On May 15, 1980 the Board entered a Final Order in that proceeding, subject to modification or withdrawal in the event of comment or objection by the Joint Committee on Administrative Rules. The Board proposes to dismiss R76-7 after the new version of Chapter 4: Mine Related Pollution is filed with the Secretary of State. This matter will be subject to dismissal unless the petitioners request a decision on the merits of the proposal within forty-five days of the date of this Order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 12th day of June, 1980 by a vote of 5-0.
