INTERIM ORDER OF THE BOARD (by J.D. Dumelle):

An Opinion and Order was issued in this case on October 4, 1979, ordering the City of Crest Hill (City) to submit an acceptable plan to minimize overflows of its sewers. A plan was submitted on January 10, 1980. On July 24, 1980, the Board entered an Interim Order finding the plan to be unacceptable and ordering that deficiencies be cured by the filing of an amended plan within 60 days. As of the date of this Order, no such amended plan has been submitted.

It is therefore ordered that the City file an acceptable plan with the Board and Environmental Protection Agency within 30 days of the date of this Order. If that is not done, the Board shall refer this matter to the Attorney General for enforcement of this Order through the Circuit Courts. Filings with the Agency should be directed to Mr. Gary King at the Agency's Springfield Office.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Interim Order was adopted on the 19th day of February, 1981 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
