HEARING OFFICER ORDER

On March 9, 2006, all parties participated in a telephonic status conference with the hearing officer. Complainant’s motion to set expedited hearing, filed March 6, 2006, and respondents’ joint response, filed March 8, 2006, was addressed. The respondents represented that it may file a motion for reconsideration regarding the Board’s February 16, 2006, order, and that setting a hearing for April 10, 2006, as the complainant has requested, would prejudice the respondents. To that end, the complainant’s motion to expedite the hearing was denied but the parties were informed that a hearing date will be discussed at the next status conference.

It is noted that the respondents filed their respective motions to reconsider on March 30, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 4, 2006, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
