In the matter of:)
)
RULEMAKING FOR CODIFICATION OF) R81-3
CHAPTER 3: WATER POLLUTION.)

ORDER OF THE BOARD (by D. Anderson):

On August 20, 1981 the Board proposed to codify Chapter 3: Water Pollution as Chapter I, Subtitle C of Title 35 of the Illinois Administrative Code. A draft of the proposed codified rules was made available to the public. Notice was provided in Environmental Register #243, August 26, 1981. The 45 day comment period has now expired. The Board received two comments.

Illinois Power Company asked for deletion of §303.501 concerning Lake Clinton thermal discharges. The corresponding old Rule 203(i)(11)(aa) has been deleted (R80-17, 5 Ill. Reg. 11,592, October 30, 1981).

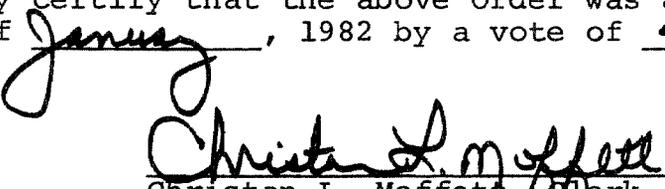

The Illinois State Library has also commented concerning matters of form.

The Board hereby adopts the draft with changes recommended by the commenters and some additional changes recommended by the Board staff. The Clerk is directed to prepare a text for filing and publication in the Illinois Register pursuant to the provisions for codification without substantive change (1 Ill. Admin. Code, §160.3100, 5 Ill. Reg. 14,078, 14,204).

The notice to be published in the Illinois Register requires only an outline of headings of new sections and a conversion table of old and codified rules. A copy of this notice will be attached to this Order for publication in the Opinion volumes. This will provide a record of this action.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 21st day of January, 1982 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
