HEARING OFFICER ORDER

On May 11, 2006, NORA, an association of recyclers formerly known as the National Oil Recycling Association and the proponent in this proceeding, orally sought an extension of the May 11, 2006 deadline for the filing of prefiled testimony and the supplemental statement of reasons requested in the Board's order of January 5, 2006. Specifically, NORA requests an extension of that deadline to Tuesday, May 16, 2006, and states that the Illinois Environmental Protection Agency does not object to an extension of that duration.

NORA's request is granted. Accordingly, all testimony and related exhibits for the first hearing must be submitted no later than Tuesday, May 16, 2006. In addition, NORA is directed to address in writing by May 16, 2006, the deficiencies in its rulemaking petition identified by the Board in its January 5, 2006 order.

The first hearing will take place as originally scheduled on Thursday, May 25, 2006, in Springfield. Because this extended deadline falls only nine days before the scheduled hearing date, the "mailbox rule" at 35 Ill. Adm. Code 101.300(b)(2) does not apply, and the Clerk must receive these documents on May 16, 2006. However, prefiled testimony and other documents may be filed electronically through COOL from the Board's Web site at www.ipcb.state.il.us.

IT IS SO ORDERED.
