ORDER OF THE BOARD (by B. Forcade):

On August 13, 1986, the Illinois Environmental Protection Agency ("Agency") filed a Motion for Modification of the Board's May 22, 1986, Scheduling Order. That motion requests the Agency be allowed to present testimony at the September hearings by a witness from the United States Environmental Protection Agency ("USEPA") and that such testimony include a filing not later than August 22, 1986, on the general policy statements the witness will make, but that the specific pre-submission of testimony be extended until a later date. Because the motion was filed August 13, 1986, and the testimony would be due August 22, 1986, the Board is required to reach a determination on this motion today. The motion is granted and the Board's May 22, 1986, Order is modified as follows:

The Agency is authorized to present a witness from USEPA at the September hearings in this matter, provided that not later than August 22, 1986, a general policy statement relating to the witness' testimony is filed with the Board and the participants.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 14th day of August, 1986, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
