ORDER OF THE BOARD (by Mr. Goodman):

This matter comes before the Pollution Control Board (Board) upon the Respondent's April 14, 1976 Motion for Modification of the Board Order, herein, of October 30, 1975. It is the opinion of the Board that this motion is inappropriate. Section 33(c) of the Environmental Protection Act required public notice and hearing in this matter. The Board's decision was based upon said hearings. The Board is loath to amend its Order without providing an opportunity to citizens who may be affected to participate. Respondent's motion is in substance a variance request and that procedure is available to it. See Procedural Rule 334. Therefore the Board will deny Respondent's motion.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order of the Board was adopted on the 6th day of May, 1976 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
