ORDER OF THE BOARD (by D. Satchell):

On November 5, 1980 Illinois Power Company (IPC) filed a motion for reconsideration of the Board's Opinion and Order of October 2, 1980. On November 6 the Illinois Environmental Protection Agency (Agency) filed a motion for clarification and a motion for relief from clerical error. The Board will reconsider the October 2 Opinion and Order and will rule on the motions for reconsideration and clarification at a future date.

The motion for relief from clerical error concerns the third sentence of the second paragraph of page 1: "On March 10, 1980 IPC filed a specification of errors with respect to paragraph 15 of the petition." This is correct. The Board acknowledges that the specification was filed pursuant to Agency motion and Board Order. However, an exhaustive recitation of procedural history in the Opinion is unnecessary since there is no issue concerning this phase of the proceeding. The motion for relief from clerical error is denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of November, 1980 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
