ORDER OF THE BOARD (by Mr. Zeitlin):

The Board's Principal Opinion and Order in this matter was entered on December 16, 1976. On January 24, 1977, Petitioner Hyon filed a Motion for Clarification with regard to one of the Board's findings in the case; specifically, that the Board determine precisely the period for which it is entitled to a permit.

Our finding in this matter that the period for which Hyon was issued a permit was unreasonable as a condition on the permit does not imply that any other period of issuance has been determined to be proper. The permit was remanded to the Agency for consideration in light of our Opinion and Order, which consideration should include determination of the appropriate period of duration for the permit. Our Opinion and Order clearly so stated, (p. 9).

Hyon's Motion for Clarification is denied.

IT IS SO ORDERED.

Mr. James Young abstained.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 3RD day of February, 1977, by a vote of 4-0.
