ORDER OF THE BOARD (by Mr. Young):

This Order comes in response to Petitioner's Motion for Modification filed June 12, 1978, and the Response of the Environmental Protection Agency dated June 15, 1978.

The pleadings indicate that Petitioner's expansion of its sewage treatment plant has been completed and the Agency has issued an NPDES permit to operate at the expanded capacity. Based upon this showing of substantial compliance, the Board finds that jurisdiction retained in this matter pursuant to Board Orders of September 15, 1977, and November 10, 1977, is no longer necessary.

The restrictions contained in sub-paragraphs 3(c) (as amended), 3(d), 3(e), 3(f) and 3(g) will have no force and effect from the date of this Order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 22ND day of June, 1978 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
