STATE OF ILLINOIS
Pollution Control Board

HEARING OFFICER ORDER

On June 5, 2006, the Office of the Attorney General, on behalf of the People of the State of Illinois (People) filed a motion for an extension of the June 6, 2006 deadline to file public comments. The People filed the comment on June 8, 2006.

While the Board had originally identified June 15, 2006 as its target date for adoption of a second notice in this deadline-driven rulemaking, the Board believes the People's comment merits additional time for Board deliberation and comment from other participants. The Board grants the People's motion and accepts the public comment.

Additionally, the Board extends the public comment period for all participants, for the specific and limited purpose of accepting responses to the People's public comment, through June 29, 2006. The mailbox rule will not apply, which means the Clerk's office must receive all responses by 4:30 p.m. on June 29, 2006.

As a result of extending the public comment period, the Board expects to adopt a second-notice order at the July 6 meeting. This will restrict the Board to the bare minimum time for review by the Joint Committee on Administrative Rules and Board adoption and filing of the final rule in August to complete rulemaking by the September 1, 2006 statutory deadline.

Before filing any document with the Clerk, please use the most recent version of the Service List available on the Clerk's Office On-Line (COOL) at www.ipcb.state.il.us. Participants may also obtain the most recent version of the Service List by contacting Ms. Sandy Wiley at (312) 814-3623 or wileys@ipcb.state.il.us, the hearing officer, or the Clerk's Office.

IT IS SO ORDERED.
