HEARING OFFICER ORDER

On June 22, 2006, all parties participated in a telephonic status conference with the hearing officer. The respondents were directed to ascertain whether their respective witnesses would be available for hearing for the weeks of September 18, 2006 and October 16 through November 3, 2006. The complainant’s represented that it was available for the month of September 2006.

It is noted that the complainant sent a letter via facsimile to the hearing officer on June 21, 2006, alleging inappropriate disclosure of settlement discussions on behalf of respondent City of Morris. The complainant was directed to file a motion with the Clerk of the Board addressing its concern if it intends to pursue the privilege issue.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 29, 2006, at 1:00 p.m. Please note the time change. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
