ORDER OF THE BOARD (by Dr. Satchell):

The Petition for Variance filed on August 9, 1977 by the City of Mount Carmel is dismissed as inadequate. The petition does not provide the information required by Procedural Rule 401. Additional information must be provided concerning the size and location of the business or activity in question; the quantity and types of materials used in the activity the variance is sought for; the nature and extent of present failure to meet requirements of the regulations or the Act; a detailed compliance plan; an assessment of the environmental impact the variance will impose on human, plant, and animal life; past efforts to achieve compliance; alternative methods available to achieve compliance; and efforts to minimize any environmental impacts during the variance period. The petition must also contain a request for a hearing if so desired by Petitioner or a waiver thereof and a concise factual statement of the reasons the petitioner believes compliance with the particular provisions of the regulations would impose an arbitrary and unreasonable hardship.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 18<sup>th</sup> day of August, 1977 by a vote of 5-0.
