Re: Petition for Review – George C. Heal  
AC No: 06-53

I am requesting a petition for review for the following reasons.

1. The certified mail was signed by an unauthorized person. I was out of town and had someone at our house taking care of our animals. This person was not authorized to sign for mail delivered to us.
2. This was an effort to clean up the county and community. Since April 20<sup>th</sup> all the debris have been cleaned up. Enclosed are copies of receipt at my expense. As you can see I have spent \$15,160.00 for Excavating, \$9,581.60 Landfill fees, \$1000.00 Oregon Ambulance fee (on standby for Fire Departments).
3. I was not aware of the laws. I did make an honest attempt to call what I thought was all the necessary people including Ogle County, City of Oregon, and was never told by anyone that it was illegal to burn a torn down barn.

Please consider this petition for review based on the above information. Thank you for your time.

Sincerely,

George C. Heal
