ORDER OF THE BOARD (by Mr. Goodman):

On September 2, 1976, the North Shore Sanitary District (NSSD) submitted a Petition for Variance. NSSD seeks an extension of a variance previously granted by the Board. However, NSSD does not include in its petition a statement incorporating its prior variance petitions. Without the information submitted in the prior variance petitions, the present petition is inadequate.

Petitioner shall amend its petition within 45 days of the date of this Order to either incorporate the prior variance petitions or provide the Board with the information required by Rule 401 of the Board's Procedural Rules. Failure to timely file the Amended Petition shall subject the Petition to dismissal for inadequacy. The 90-day decision period set by statute shall run from the date of the filing of the Amended Petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 15th day of September, 1976 by a vote of 5-0.
