ORDER OF THE BOARD (by Mr. Dumelle):

Petition for variance filed June 17, 1976 is inadequate in that the location and emissions from the proposed open burning location are not given. Furthermore, the alternative of burning landscape wastes using an air curtain destructor as provided by Rule 504(a)(4) seems not to have been considered. The Petitioner has the burden of showing that an arbitrary and unreasonable hardship will occur if the variance is not granted.

Petitioner shall amend the Petition within 45 days from the date of this order to provide the necessary information. The 90-day period set by statute for decision shall be waived by the Petitioner to commence with the date of filing the Amended Petition.

Failure to timely file the Amended Petition shall make the Petition liable to dismissal for inadequacy.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 8th day of July, 1976 by a vote of 5-0.
